Notice, dated 26th March 1903.

The following business will be transacted at a Special Meeting of the Municipal Commissioners for the City of Bangalore, to be held at their office premises now transferred to the building in the District Office road, where the Bangalore Taluk Office was hitherto being held, at 7-30 A.M., on Friday the 3rd April 1903:—

1. Consideration of the Draft Budget estimates of the Bangalore City Municipality for 1903-1904.

P. PALPU,
for President.

Explanatory Memo to accompany the Draft Budget Estimates of Receipts and Expenditure of the Bangalore City Municipality for the year 1903-04.

The income and expenditure as sanctioned for 1902-03 are as follows:—

	Rs.
Receipts	2,04,700
Add opening balance as given in Government Proceedings No. 13109-14	
L. F. 11-02, dated the 26th February 1903	23,776
Total	2,28,476
Expenditure	2,28,221
Estimated closing balance	255

The following estimate of receipts and expenditure is framed for the year 1903-04:—

RECEIPTS.

I. OCTROI.

Sanctioned for 1902-1903.	Estimated for 1903-1904.
Rs.	Rs.
48,650	54,850

The provision of Rs. 6,200 in excess of the sanctioned estimate for the current year under this head is made in accordance with the actuals of 1901-02, having also in view the steady increase in the import of piece-goods, timber, cocoanuts and other dutiable articles every year.

III. LICENSE RECEIPTS.

24,500	25,000
--------	--------

The increase of Rs. 500 shown under this head is expected to be realized under "(b) Other Licenses."

VI. TOLLS.

15,300	21,000
--------	--------

The actual collections under this head during the year 1901-02 was Rs. 18,272. Owing to loss said to have been sustained by the contractors in 1901-02 on account of plague and other causes, the bid secured this year was low. The sanctioned estimate for 1901-02, viz., Rs. 21,000 is however repeated in this budget on the hope that revenue under this head would regain its normal condition. In case this sum is not realized, it is intended to work the Tolls Departmentally.

VII. MOHATARFA.

12,800	13,200
--------	--------

A slight increase of Rs. 400 is expected to be realized under this head.

VIII. RENTS.

8,000	8,700
-------	-------

The increased estimate is based upon the actuals of 1901-02.

X. MISCELLANEOUS.

39,000	39,900
--------	--------

A sum of Rupees 900, in excess of the estimate of 1902-03 is expected under School fees, sale of grass and notice and warrant fees.

Other items call for no remarks.

EXPENDITURE.

II. HEAD OFFICE.

Allocated for
1902-1903.

Rs.
1,536.

Estimated for
1903-1904.

Rs.
11,776.

Manager Rs. 10, (has had no promotion since he joined the Municipality). English. Record-keeper Rs. 5. Vernacular Record-keeper Rs. 5. (They have been drawing the present pay for over 12 years).

As the President cannot be expected to attend to his duties in connection with the City, which is an additional charge without remuneration, the original provision of Rs. 150, under President's allowance is inserted. The combination of the offices of the Vice-President and Health Officer has been working satisfactorily. The arrangement may therefore be continued. An allowance of Rs. 150 + 50 is accordingly provided for the Health Officer for his duties as Vice-President. These two items can be met out of the provision now existing under the head of Vice-President's pay and allowance.

An increase of Rs. 240 is proposed for the purpose of giving increment to the pay of the marginally noted officials who have had no promotion for some years past.

III. COLLECTIONS.

2,590.

12,784.

An increase of Rs. 5 each is proposed to be given to one of the Shanbögies in the 1st grade and to another in the 2nd grade, who have had no promotion since 1877 and 1886 respectively. The contingent charges of this office is also proposed to be raised by Rs. 2 a month as the present provision of Rs. 5 is found to be insufficient.

IV. CONSERVANCY.

4,556.

34,856.

The establishment under this head has to be revised. Certain proposals made by the Health Officer last year were approved by the board and submitted for sanction.

A separate reference will be made to Government on the subject; pending which the existing provision is retained.

(b) *Under other charges.*—An increase of Rs. 300 is provided for the purchase of conservancy carts which are badly required.

VI. REGISTRATION.

2,760.

2,496.

(c) *Burial ground.*—The services of the burial ground Duffedars were dispensed with last year and the supervision of the work of the watchmen entrusted to the Plague Police Inspector. This arrangement is reported to be working satisfactorily. The pay of the Duffedars is accordingly omitted in the Budget.

VII. LIGHTING.

4,602.

15,770.

An increase of Rs. 1,168 is provided to meet the cost of lighting additional lamps put up during the current year.

VIII. PUBLIC WORKS.

6,086.

6,096.

(a) *Supervision.*—An increase of Rs. 5 is proposed to be given to the clerk who has put in 12 years' service on a pay of Rs. 10. The provision of Rs. 50 usually made for "printing charges" is omitted as it can be met from the amount provided for the purpose under Head office.

4,500.

17,000.

(b) *Roads original.*—The provision under this head was reduced during the past two years from Rs. 20,000 to Rs. 15,000. Many of the roads are in a very bad state at present and to put them in thorough repair a sum of Rs. 37,000 is required; but as no funds are available the estimate has been reduced to Rs. 17,000.

Sanctioned for 1902-1903. Rs.	Estimated for 1902-1903. Rs.

(d) *Drains original.*—The special provision of Rs. 8,000 sanctioned by Government in Proceedings No. 13109-14—L. F. 11-1902, dated 26th February 1903, for widening the main drain is omitted and the usual provision of Rs. 3,000 is retained.

The newly opened lanes in the City have to be provided with drains and the lanes themselves put in order. The cost of this work will come to Rs. 25,000. Separate reference will be made to Government on this subject.

(e) *Drains repairs.*—Many drains in the City want repairs and resetting badly. An increase of Rs. 1,542, is therefore provided under this head.

(g) *Water supply repairs.*—As water from the Dharmampudhi tank is not now used for drinking purposes, the provision of Rs. 500, under this head is omitted. The services of the special watchman and toti will be dispensed with and the Conservancy Department directed to keep the channel as clean as possible.

(h) *Buildings original.*—Public latrines and urinals are required in several parts of the City. An increase of Rs. 2,000 has therefore been made under this head for this year. The provision under buildings original was formerly Rs. 3,000 to 3,500.

(i) *Buildings repairs.*—Almost all the existing public latrines have to be repaired as they have not been attended to for several years. The usual repairs of other Municipal buildings have also to be carried out. An extra provision of Rs. 2,000 has therefore been made under this head.

Road watering and planting.—The provision under this head is raised by Rs. 300. The usual amount provided under this head was from 2,000 to Rs. 2,500.

(k) *Other works original.*

(l) *Other works repairs.*—Rs. 2,000 are provided in excess of last year's estimate under these heads to meet the cost of meat stalls proposed to be constructed and other works of a miscellaneous nature to be carried out during the year.

(m) *Compensation.*—The provision under "Compensation" required to be paid in connection with the opening of conservancy and other lanes is increased by Rs. 1,000 as there are several lanes that have to be opened out urgently.

IX—CHARITABLE GRANTS.

E. D. Hospital.—The saving of Rs. 84 shown under E. D. Hospital is due to the transfer of the sheds in the Lal-Bagh road health camp to Upparahally camp and the consequent dispensing with the watchman attached to the former camp.

Provision is made only for three Dispensaries. The charge for the one in the IV Division which used to be provided for year after year is omitted as this dispensary has not been opened. The provision made in the sanctioned Budget for pay and allowance for Itinerant Medical Officer as in former years has also been omitted as no such officer is now employed. This accounts for the decrease of Rs. 888 under dispensaries as compared with the sanctioned Budget.

Vaccination.—A sum of Rs. 80 is provided in excess of the sanctioned amount under this head to meet the cost of Lanoline vaccine supplied from the Government Institute.

Anna Chattram.—At present there is a Supervisor on Rs. 10 and a writer on Rs. 6. One of the two hands may be dispensed with. It is therefore proposed to do away with the post of the writer and retain only the Supervisor under the designation of Parapettegar who will hereafter do the duties of the writer as well. The savings that will thus be effected is proposed to be included in the feeding charges.

Tirupati Pilgrim Chattram.—The provision of Rs. 500 made in the sanctioned budget under this head is omitted as the need for this Institution has not been felt since the opening of the E. D. Hospital. The establishment will be dispensed with and the men employed elsewhere if possible.

Home for Incurable Paupers.—An increase of Rs. 24 is provided under this head in view to small increments being given to the pay of cook and sweeper who are now under-paid.

X EDUCATION.

At the instance of the Committee appointed for the management of Schools, the pay of the Head Master of the Municipal English School is proposed to be raised from 70 to 100. Provision accordingly made accounts for the increase of expenditure under this head.

XI MISCELLANEOUS.

Pounds.—The decrease under Pounds is due to the omission of Rs. 260 provided hitherto for the Pound at Ulsoor gate which has been closed for some years as not being required.

Out of the savings thus effected it is proposed to give an increase of Rs. 2 to the watchman in the Mysore Road Pound who gets a poor pay of Rs. 4.

Fairs and festivals.—A provision of Rs. 1,000 based upon the actuals of the past year is made under this head.

The total receipts estimated amounts to Rs. 2,19,100 and the expenditure Rs. 2,19,040. The items of expenditure have been carefully scrutinized and no further reductions appear to be possible. The Board therefore regret their inability to pay the usual contribution of Rs. 12,000 towards interest and repayment of loan, and beg Government would excuse the payment till their finances improve. Should however Government consider that at least the interest should now be paid and payment of portion of the capital delayed, it is requested that they will be pleased to deduct the amount due towards interest from the closing balance if there be more than the minimum required. At present according to accounts maintained in this office, there is a balance of Rs. 44,004-3-4. It is hoped there will be at the close of the year sufficient amount left to meet the interest due and leave at the credit of the Municipality not less than Rs. 10,000 i.e. the minimum balance laid down by Government.
